A COMPETITIVE EDGE FOR
INDIVIDUALS WITH DISABILITIES

Brands for Canada's EDGE program is one of the most comprehensive job-training programs in Canada for individuals with disabilities.

It assists individuals with disabilities to gain a competitive edge to enhance the potential for sustainable employment.

Participants build professional and life skills through a four-week program that provides innovative training in the areas of:

- Emotional intelligence (EQ)
- Communication
- Conflict resolution
- Managing your disability in the workplace
- Interview/job search support
- Stress management
- Financial literacy

Additional Benefits:

- 10 personal coaching sessions with a professional coach
- New professional clothing (valued \$200+)
- A complimentary haircut (valued at \$50)
- Bag of personal care products (valued up to \$50)

COSTI Weston Employment Services has partnered with Brands for Canada to deliver the EDGE program at our location.
