**TRIEC
MENTORING
PARTNERSHIP**

Find a mentor to help you reconnect with your career in Canada.

If you are an immigrant with a professional background, **TRIEC Mentoring Partnership*** can help you reconnect with your career with the support of a mentor who works in your field, in Canada.

By talking to a mentor who shares your professional background and knows how the local labour market works, you can get a head start on your journey to success in Canada.

In fact, **75% of participants find a job** in their professional field within one year of completing the program.

You should sign up for the program if you:

- Have 2+ years of international experience in your professional field
- Have lived in Canada for less than five years
- Are unemployed or underemployed and looking to reconnect with your career

A mentor can help you:

- Understand Canadian industry trends
- Develop more effective job search strategies
- Build your professional network
- Find ways of leveraging your experience and skills
